by Woody Pettigrew '73

Tex Tucker ('71) hosted 45 former CMA cadets and guests in Grayton Beach, FL over an eleven day window of opportunity in September. Invites went out to a wide range of alumni with a special emphasis on the Class of '71 celebrating its 40th Reunion this year. Alums were invited to stay as long as they could during the eleven days with Tex providing accommodations, beach materials, and a loose schedule of evening activities.

Bullring 2011. . .What better than a day of work on campus to bring back Bullring memories. Woody Pettigrew ('73), Don Kimbrell ('53), Libby Kimbrell, Shayne (Trousdale) Harris ('78), Jay Robins ('76), Dudley Dolinger ('73), Bobby Bain ('72) and Marshall Cranford ('54) spent Saturday, May 21st working at the CMA Museum to clean, caulk, and paint the outside windows and install underground drainage pipes for the gutters. A productive day and no one got hurt...and that is saying a lot considering the work crew and the tools and ladders involved. The work will improve the aesthetics of the building as well as provide better protection for the windows and the building foundation.
