

# CMAAA Board Meeting — April 28th

Volume 28, Number 1

Spring, 2018

## From the President

Cadets, Faculty & Friends:

Hopefully all had a blessed Christmas, joyful Holiday, and are looking forward to a prosperous New Year. After a cold and long winter, I am sure everyone is ready for Spring. It's about time to get in those cotton uniforms and get ready for the Sunday parades.

As I was sorting through some old boxes, I found my CMA personal file. There was my original application Colonel Hatcher had submitted and a letter from Colonel Ragsdale to my Mother. There were many letters from my Mom to Colonel Ragsdale over the years. The bright spot here is that he answered every letter. This is just another example of how special CMA was. I also noticed the cost of tuition. That was a lot of money in those days, and paying tuition was quite a sacrifice for a lot of parents.

Dr. Thomas and the CA staff continue to build the relationship between CA and our Association. They are always helpful and accommodating with any of our needs as to use of any facilities on the campus or access to the Museum.

Our 2018 Grand Reunion is right around the corner. The Reunion information is in this edition of the *Bugle*,

including registration information and the schedule of events. The classes of 1968 and 1969 will celebrate their 50th Reunion this year. Class Representatives and contact information is located on this page. If you are a member of either of these classes, please make an extra effort to attend the reunion this year and celebrate your 50th reunion. Don't wait until it is too late to get back and visit with your old classmates.

During this year's reunion we will be honoring former Cadets who later returned to CMA as Faculty members. We have already identified sixteen such individuals that we have listed on page three of this *Bugle*. If you know of any additional Cadets that are not listed, please contact Woody Pettigrew or myself with any information you may have.

Please reach out to all of your friends, classmates and faculty to invite them to join us in August. The Board of Directors will finalize all the Reunion details at our Spring Meeting which will be conducted in the old Mess Hall at 9:00 on Saturday, April the 28th. We will provide the final details in the Summer edition of the *Bugle*.

I look forward to seeing everyone in August and having a true Grand Reunion.

## Class Get-togethers During the 2018 CMAAA Reunion

The 2018 CMAAA Grand Reunion is quickly approaching and it is time to finalize your plans to spend a weekend with some old friends and share some special memories. This upcoming reunion will include a 50th Year recognition for the Classes of 1968 and 1969. We will conduct the traditional Flag Pole ceremony honoring our lost Alumni from those classes after our General Membership meeting Saturday morning.

Additionally, there are opportunities for any and all Classes to have a special get-together during the reunion weekend...Friday afternoon before the social; Friday night after the social; Saturday afternoon after the General Membership meeting. If you would like to coordinate such an event and need to advertise in the Summer *Bugle*, let Woody Pettigrew know and it will be published in the *Bugle*.

Now is the time to make reservations for the 2018 CMAAA Grand Reunion. We will be gathering at the Cool Springs Marriott the weekend of 2-5 August to celebrate CMA and visit with old friends and make new ones. This reunion marks 40 years since the elimination of the "Military" in Columbia Military Academy and 39 years since the CMA transition to Columbia Academy. What a great tribute to the Alumni Association and its members that we continue to celebrate CMA even without the benefit of still having the school around. While the campus is certainly different now than it was when we were cadets, we are fortunate to be able to visit the campus and use the facilities there to support our Reunion activities. The General Membership meeting in Old Main, the Flagpole ceremony honoring lost cadets from each reunion's designated "50 Year Reunion" classes, going to see the new Moore Hall Marker, and the opportunity to visit the CMA Museum in the old Guard House. Just walking around the campus brings back a flood of memories and makes the trip worthwhile. Be part of it in 2018.

**Former Cadets That Were Later Faculty Members to be Recognized**

This reunion's recognition group is those individuals that spent time at CMA as Cadets and then returned to CMA to serve as a member of the Faculty/Administration. This is a very small group, but a very unique group that has a special perspective of the school. We know of 16 former Cadets that returned to CMA in some capacity as a member of the school faculty or administration but we need your help to identify more. The current listing is included on Page 3. If you can provide the names of additional individuals that were Cadets and later members of the school faculty/administration, please let us know. We want to ensure that we recognize all of these individuals, both living and deceased.

## Sporting Clays Shooting Event Set Up For Reunion

We have a returning event for this year's reunion for those interested in participating in some shooting. Dudley Dolinger ('73) has again coordinated with the Nashville Gun Club to set up a Sporting Clays shooting event on Friday during the reunion for any CMA alumni and friends interested in participating. The event will start at 10:00 AM and will provide participants the opportunity to go to the gun club and go through the stations shooting at 50 sporting clays. The cost for the event is based on what equipment you bring. If you provide your own gun, ammunition, ear protection and eye protection (all required to have), the cost will be \$40 plus tax. If you need to purchase/rent any of the mentioned items, the price will increase accordingly and could make the total cost be \$75 if you needed the gun club to provide everything. All interested in registering for the shoot are asked to submit the registration form along with a \$25 deposit. Since total costs are dependent on individual needs, you should be prepared to make further payment at the gun club. If you would like to participate please complete the registration form on page 6 and submit it to Dudley Dolinger at the address provided on the form by July 1st. Feel free to contact Dudley Dolinger at 615-476-1820 or at [ddolinger@comcast.net](mailto:ddolinger@comcast.net) if you have any questions.

## Reminder to Pay your Dues to the Alumni Association

Since the Alumni Association does not send out notices telling its members to pay their dues at a specific time, the best thing to do to keep up with dues payments is to make your payment every two years in conjunction with the CMAAA Reunion. Many individuals do that and pay their dues as part of the registration for the reunion. Even if you are not going to attend the reunion, you can use the registration form to pay your dues. With annual dues being \$25, if you set yourself up to pay in conjunction with the reunion you can pay \$50 every two years and always know when you need to pay your dues. The Reunion Registration form, page 4 of this publication, provides the opportunity to pay your dues even if you are not attending the reunion. Simply fill out the top portion of the registration form and check the box that says "I Am Unable to Attend but have enclosed my \$50.00 for the next 2 Years Dues (\$25.00 per Year)". Send in the form, along with a check for \$50 made out to CMAAA and your dues are good until the next reunion year in 2020. Dues are very important to keep the association going.

## Golf Scramble Again Set Up For Reunion

As in years past, there will be a scramble golf tournament on Friday morning of the reunion weekend. Bill Wade ('68) and Randy Howell ('72) are coordinating the activity this year and have set up for us to have a Two Man Scramble format at the Crossings Golf Course. We will begin our Tee Times at 8:00 on Friday morning with foursomes consisting of two different two-man scramble teams. For those that have played in the past, make plans to play again at this reunion. If you have not played before but enjoy playing golf, join the group at this reunion and start the weekend with a fun round of golf with your fellow CMA Alums. Please complete the Registration Form on Page 6 and submit it and your payment to Bill Wade at the address provided on the form.

## CMA Alumnus Honored

South Oak Street in Hohenwald, Tennessee was dedicated as CPL PRENTICE J. BENNETT USMC MEMORIAL DRIVE on Saturday, January 27th. Jim Borum, '66, and Winston Elston, '74, were in attendance with about thirty other friends and family members as Prentice's cousin, Pattie Lankford Davis, unveiled the new street sign. Attendees included six members of Rolling Thunder, an organization dedicated to POW-MIA awareness and veteran welfare. Prentice attended CMA for three years, graduating with the Class of 1965. He was the Band Company Commander his senior year. After graduation in 1965 he entered the US Marine Corps and was assigned to the 6<sup>th</sup> Fleet in the Mediterranean prior to his assignment to B Company, 1<sup>st</sup> Battalion, 9<sup>th</sup> Regiment, 3<sup>rd</sup> Marine Division. He lost his life in Vietnam in 1968. He was inducted into the CMAAA Hall of Honor in 2008.

## CMA Memories

When I was in the 8th and 9th grades at CMA I attended the Maury County Fair with many other Cadets. Also, like many Cadets, I was attracted to the burlesque or strip shows that were a popular attraction at carnivals of the period. They were very entertaining and enlightening and one thing that I can write of today was the shell game that preceded the show. Picture this: a group of men, boys and Cadets milling around waiting for the show to begin and in walks a fast talking man with a collapsible table and an offer to bet anyone that he could hide a pea under one of three cups or shells and move the cups around so that you could not guess which one the pea was under. He demonstrates

and its not too hard to see where the pea is hidden. We little Cadets would crowd around to start the game betting dimes and quarters and we could win a fast couple of bucks, maybe enough to pay for the show. As we little boys played and won, older men would begin to pay attention and even placed a bet or two. As the pace of the game quickened the men would pull out their wallets and we boys were smart enough to know that it was time to go. The men who continued to play as the stakes got higher were about to get their clocks cleaned. We boys learned a lot in the peep show tent. Among other things that we learned: It's hard to win playing the other man's game.

Behind South Johnson barracks on the CMA campus was a long steep hill that was great for sledding on the rare occasion of appreciable snow. The only hindrance was the little branch, enclosed by rock walls, that flowed at the bottom of the hill. We had no sleds, but there were old metal lockers stored in the basement under Johnson Hall. The metal doors, when removed, made great sleds. They were smooth on the bottom, about 18 inches wide and 6 feet long. Of course, it could not be steered and that added to the fun. All we wanted was to go downhill as fast as possible. You really did need to put out your feet and stop the sled before reaching the branch at the bottom, however. I can still see through my mind's eye as Kenny Beall and another boy came sliding down that hill on a cold winter's afternoon. They waited just a fraction too long before trying to stop and the locker door/sled went sideways with them. It teetered on the edge of the wall above the branch for a second or two before dumping them into the water. Everyone on the hill cheered.

## CMAAA Board of Directors Meeting on April 28th

The CMAAA Board of Directors will meet on Saturday, April 28th at 9:00 in the old Mess Hall on the CA Campus. All board members are encouraged to attend and help make final plans of the 2018 Reunion.

## Regarding Mrs. Grimes

In the summer of 1954 I made my first visit ever to the CMA campus, accompanied by my parents, for the purpose of interviewing with Colonels Ragsdale and Martin for possible admission to the school. We were seated in Colonel Ragsdale's office which was located to the right of the front door entrance of what is now Ragsdale Hall and was then known as "The Office". I was feeling pretty small and not at all sure I wanted to leave home and come all the way to Columbia to board and attend military school.

An attractive young lady entered the room with paperwork for Colonel Martin. She said, "Hello Mr. Heneger, I haven't seen you in years." Daddy stood up and said, "Why it's the little Beckham girl" and hugged her. Mariemma Beckham Grimes is the daughter of Mr. and Mrs. Charles Beckham. When Dad moved to Marshall County, Mr. Beckham was one of his first friends. Dairy farmers on Mooresville Pike, Mr. and Mrs. Beckham would have Dad out to their house for Sunday dinner. Daddy met Mrs. Grimes when she was a little girl. That broke the ice at CMA for me.

I knew during five years at CMA that I had a friend there anytime I needed her. She was good to me and my brother, Joe, and we were pleased to attend an on-campus ceremony in the summer of 1997 when the Mariemma Beckham Grimes Building was dedicated in her honor. She was a friend to me and my family and to many CMA cadets over many years.

Ernest Heneger  
Class of 1959

*Mrs. Grimes was with CMA from 1952 until the transition to Columbia Academy after the 1979 school year. She then remained with Columbia Academy for 24 years, retiring in 2003. Mrs. Grimes was inducted into the Columbia Military Academy Alumni Association Hall of Honor in 1996.*
