Died July 26, 1952

IN MEMORIAM

# DEDICATION

COLONEL C. A. RAGSDALE  
President

We, the staff of the 1953 RECALL, take pride in dedicating this, the first edition of our yearbook since 1929, to Colonel Clifton Alexander Ragsdale. "Colonel C.A.," as he is affectionately called by all who have had the privilege of knowing and working with him, has dedicated his life to the advancement of Columbia Military Academy and to the development of the minds, spirits, and bodies of all who have had the opportunity of attending C.M.A.

Busy man though he is, Col. C. A. always finds time to listen to every problem, small or large, and somehow always manages to arrive at a solution.

He approaches every situation with caution and is

satisfied with a job only when he is certain that every detail, no matter how minute, is perfect. He is finished with a project only when his best has been done.

We can easily understand how C.M.A. has grown in character, strength, and recognition under Col. C. A.'s leadership when we consider his philosophy concerning his life's work—"A position in a school is not just an ordinary job, but one fraught with unlimited possibilities for the development of the youth of this age."

To Colonel Ragsdale, whom we respect as a true Christian gentleman and scholar, we offer our sincere thanks for his guidance; with hearts filled with admiration, we lift our hands in salute to a great man.

September 16, 1953, the dawn of another year at Columbia Military Academy, was greeted by the return of many cadets, all of whom were ready to attempt again to build one of the finest battalions in school history.

Mixed with the civilian clad veterans of previous years were the uniformed raw recruits who, in future years, would form the material for the officers and non-commissioned officers of the battalion.

At the conclusion of a three week tryout period, Cadet Major Daryle Dixon, after five years in the academy, emerged as the commanding officer of the battalion.

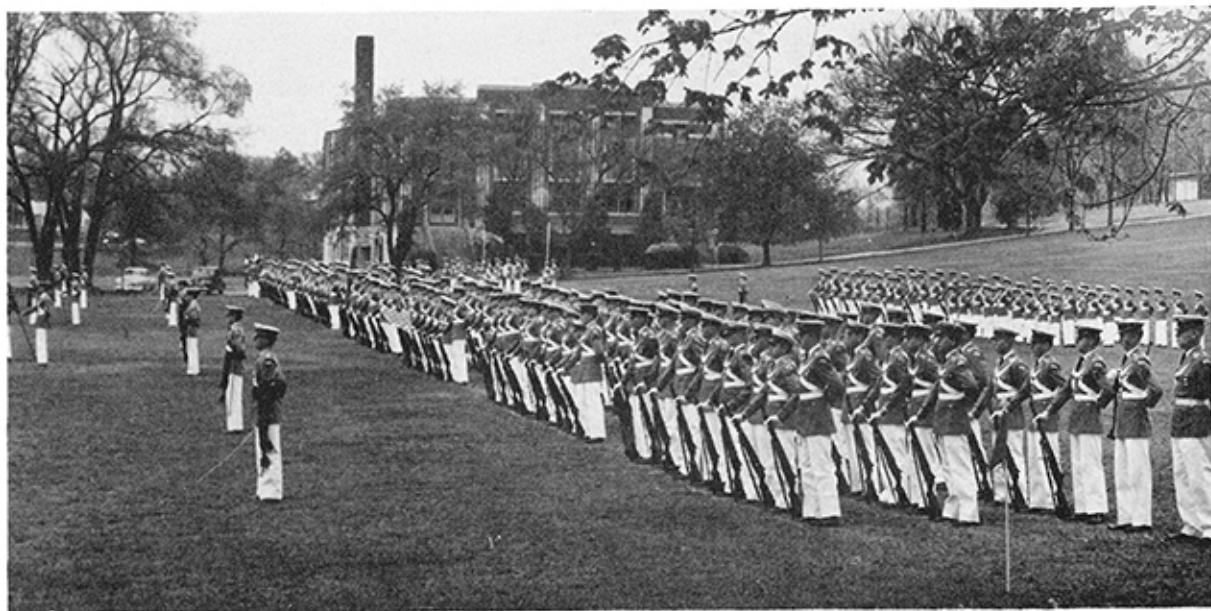

Major Dixon was assisted ably by his company commanders. These included Cadet Captain Bass, Cadet First Lieutenant Bayles, Cadet Captain Sefton, and Cadet Captain Nichols in the four rifle companies, Cadet Captain Turnage of the Band and Cadet Captain Miller of the Junior School.

DRESS PARADE

## SINCE 1903

Almost as soon as uniforms were issued, military class-work began on a schedule of three days a week for the senior division and two days a week for the junior group. This schedule, affording one hundred and sixty-five hours of instruction, was far superior to the Department of the Army's requirement of ninety hours.

During the year, Major Algood, Professor of Military Science and Tactics, instructed classes in military organization and map reading, while Captain Lynn held classes on rifle squad tactics and combat formation. Master Sergeant Gilbert taught rifle marksmanship, and Sergeant First Class Bakeman assembled and taught descriptions and characteristics of all types of weapons on the campus. Sergeant Burrill taught first aid and hygiene and served as administrative clerk. Sergeant Rollins served as an assistant instructor.

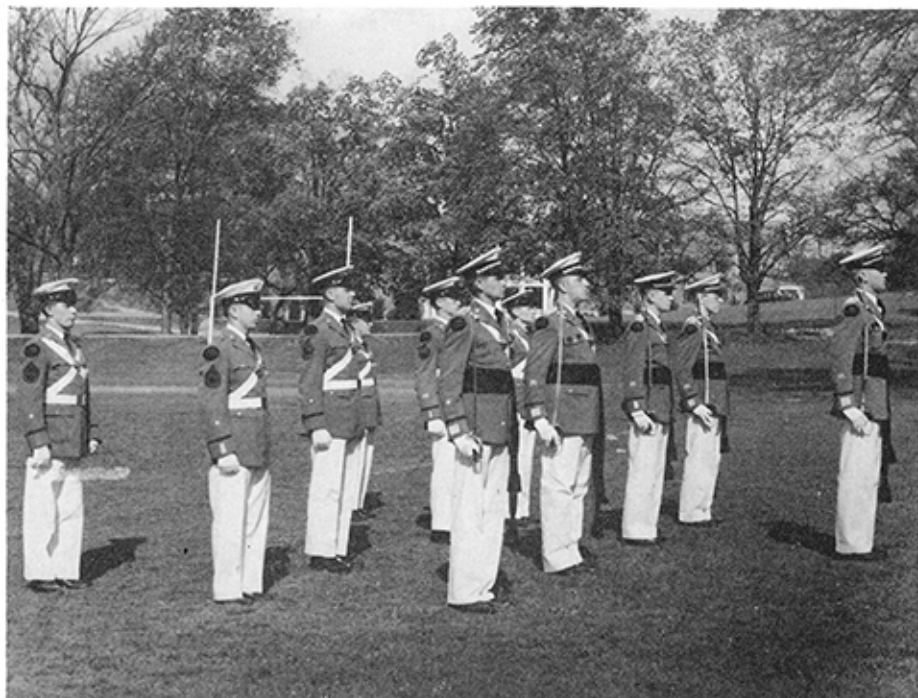

As classes progressed, precision on the drill field kept pace. Officers and non-commissioned officers perfected their respective units for monthly efficiency company awards, one of which was won by Company A, two by Company C, one by Company D, and one by Band Company.

Since the opening day of school, one event had been foremost in the minds of the cadets—Government Inspec-

tion. After many months of preparation, April 13, Government Inspection Day, arrived. For two weeks previous to that date, every effort had been directed toward continuing the rating of Honor School. When the inspecting officers entered the gate, the battalion was ready. The morning program for the first day included a barracks inspection, a formal dress parade, and an inspection formation on the field. After second mess, the inspectors reviewed the various units as they went through precision close order drill. After the drill period, the inspectors complimented the cadets' knowledge and precision and selected Company B as the best drilled company during the inspection. Tuesday afternoon the inspecting officers consulted with the Military Department and examined the military facilities, thus completing another annual Government Inspection.

With Government Inspection behind, and only six weeks remaining in the school year, most of the drill periods were spent in preparing for Commencement field festivities. Each cadet pressed forward with pride and hope, looking ahead to that blistering hot day in June when he would take his place on the field for the final parade, and with the notes of "Silver Taps" ringing in his ears, be able to say, "I was part of the best battalion yet."

The C.M.A. Rifle Team tryouts began in September with about fifty hopeful cadets out. This number was cut down in size by the process of elimination. When the smoke cleared away, there was a good ten man team left. Under the able coaching of M/Sgt. Gilbert, the team went through its season with six wins and four losses, placing fifth in the William Randolph Hearst match.

The Gold Star Drill Platoon, which was organized in October, 1951, under the supervision of Major Charles T. Boyle, has appeared successfully in numerous parades and ceremonies throughout the states of Alabama, Louisiana, Mississippi, and Tennessee.

During the 1952-53 season, the direction of the platoon was in the hands of S.F.C. Bakeman. Cadet Major Dixon served as drill master for two years. In 1953, the platoon went to New Orleans and participated in the Mardi Gras Festival. Its snappy drill and complicated movements have created a favorable impression everywhere the platoon has appeared.

## Y. M. C. A.

### PLEDGE

I pledge my best effort to uphold the purpose of this organization which is to create, maintain, and extend throughout the school and community high standards of Christian character, to promote clean speech, clean athletics, clean scholarship, and clean living.

The Y.M.C.A. had its beginning in 1944. It was organized by Major J. Keylon Moore and started with an enrollment of only thirty-five cadets—a small organization with a big heart and a bigger purpose—to instill in each cadet a greater sense of responsibility and duty toward God, and in so doing to spread throughout the campus and community a closer fellowship through Christian living. Through the years, as more and more cadets at the academy have felt the need of a stronger bond with their Creator, the membership has increased steadily, and now the "Y" boasts a membership approaching two hundred.

Band in Concert Formation.

The Band Troops the Line on Formal Parade.

The year 1952-53 was enjoyed by the band as one of its most successful seasons.

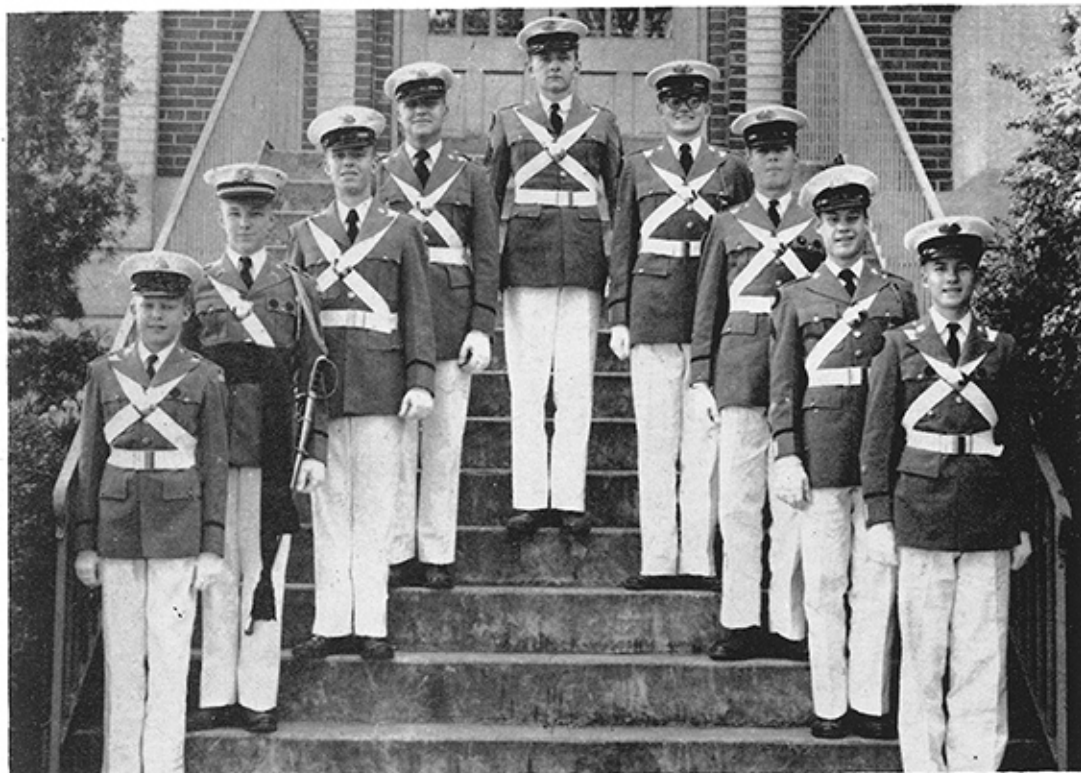

Under the direction of Major L. E. Dillon, the band participated in events in four states, journeying to Blytheville, Arkansas for the National Cotton Picking Contest; Florence, Alabama for the annual Christmas parade; and historic New Orleans for the famous Mardi Gras. While at the Mardi Gras, the band participated in two parades, one of which they had the honor of leading. In Blytheville, they received the title "Outstanding Military Band of the South"—an award that was justly deserved after their weeks of hard work and preparation.

# DECLAMATION

Date—Thursday, April 2, 1953; Place—C.M.A.  
Time—11:00. The annual declamation contest is about to begin. The battalion is seated; the declaimers are in place; the judges are ready.

Major Hatcher makes his opening address. One by one the declaimers take the stage: Don Martin, Kirby Turnage, Dan Brown, Russell Leu, Russell Thompson, Bunyan Webb, Richard Blankinship, Gordon Hall, Richard Cummings, and William Thompson. A hushed silence follows the closing speech. The cadets breathlessly await the judges decision.

The Voice of the winner re-echoes in the minds of the cadets, "Softly night fell over the grave of the unknown soldier." It is Kirby Turnage—winner of the declamation contest for 1953!! Runner-up: Don Martin!

Seated: Walker, Zimmer, Taylor, Wilhoite, Tate, Barton, Gammill. Standing: Haynes, Kimbrell, Sefton, Miller, Turnage, Dixon, Patton.

## DANCE COMMITTEE

The most popular social events of the year were the four formal dances which were arranged by the dance committee. The mid-winter, ante bellum, and valentine dances were favorites; however, the Ring Dance climaxed the year's activities leaving in the hearts of cadets happy memories to be cherished always.

Coach Lawson joined the staff in 1950. His basketball teams have been very successful.

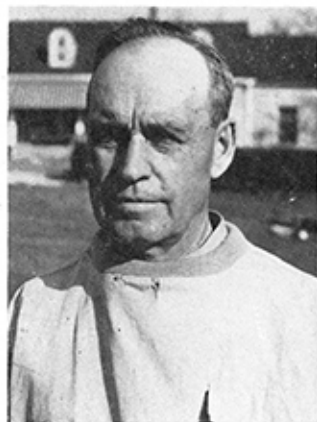

With the addition of Coach Meredith in 1951, wrestling and boxing were introduced to the cadets. These sports had not been active in the school for several years.

In 1944 Coach Prickett took over "B" team football and basketball. Now he is serving as tennis coach.

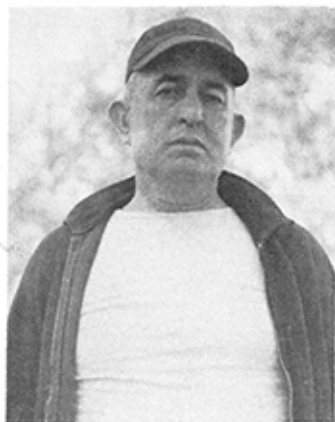

Coach Cannon has been at C.M.A. since 1930. He has enjoyed many victories on the greens during those years.

## THE 1952 FOOTBALL SEASON

The 1952 football season began with the opening of football camp early in September. After several days of homesickness, sore muscles and blistered feet, sixty boys began preparing for the opening game which was played on September 27.

The lettermen from the previous year were: Johnny Bass, Joe Gorham, George Cranford, Curtis Fordham, Phillip Huff, Gillie Lewis, Tommy Lile, Monroe Pointer, David Patteson, Charlie Patton, and Monroe Nichols. Five boys on the new varsity squad played "B" team ball the previous year. They were John Buchanan, Carl Horton, George Mabry, Randy McCloy, and Dale Stites. There was also a host of new men, Avon Bottom, Elgan Brooks, Dan Brown, Sam

Citrano, William Davis, Bruce and Duff Green (twin brothers), Joe Guess, Bill Harrawood, Harry Hays, Donald Lyles, Gerald Morgan, James McElroy, Robert McKelvey, Jim Poe, Kenneth Taylor, and Johnny Whitley.

There were many positions to be filled because the 1951 squad consisted largely of seniors. Fortunately many new boys, who had been stars on their home town teams, reported for these vacancies.

As we look back on the season we find that a good record has been established with 4 wins and 2 losses in conference play. The captain and other senior team members are quoted frequently as saying "If only I could play one more game with the boys."

Coach Watson's Bullpups had a very creditable year on the gridiron and finished with a record of three wins, two losses, and two ties. Co-Captains Adams and Nix led the spirited youngsters throughout the season.

The season opened against the Petersburg varsity, and the contest ended in a 6 to 6 deadlock. The next game saw the Bullpups defeat Mt. Pleasant by a 32 to 0 score. In the next contest the "Pups" went down to Castle Heights by the narrow margin of 18 to 15. The "B" team then had two games with Franklin Tennessee High School, and they won both contests by a 25 to 0 count. The Bullpups fought to a 0 to 0 tie with the Tullahoma High "B" team. In the final game of the season the Bullpups went down to defeat at the hands of the Columbia High "B" team.

C.M.A. . . . 0; Bradley County High School . . . 26

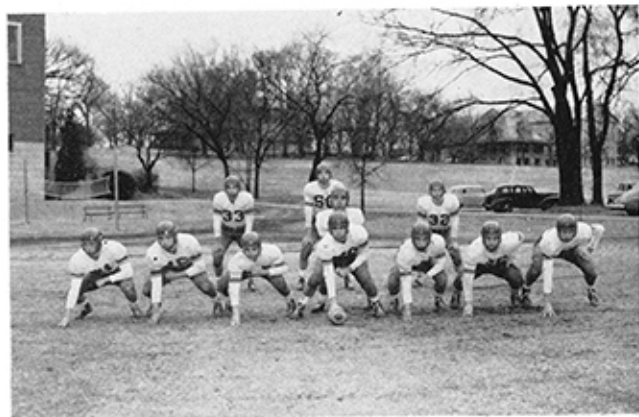

With less than three weeks practice, the Bulldogs journeyed to Cleveland, Tennessee for the first game of the season. Starting the game with only three boys from the 1951 team, the locals were unable to get going against the Bears. However, team spirit and fight prevailed up until the final gun sounded, and defeat was taken in true sportsmanship.

C.M.A. . . . . 13; Notre Dame . . . . . 0

In this, the first Mid-South Conference game, the team showed great improvement over the week before. After a scoreless first half, the Bulldogs tallied twelve points in seven plays of the third quarter, with Pointer, Citrano, Bass, and Lewis carrying the ball. McKelvy's effective running and punting, and the defensive play of Lile and Harrawood played a great part in the victory.

C.M.A. . . . . 26; T.M.I. . . . . . 20

Finding themselves trailing 20-7 at half-time, the Bulldogs came back with renewed determination and spirit. At the beginning of the third quarter, Lile blocked a punt which Whitley in turn picked up and raced thirty-five yards for a T.D. McKelvy took the ball a few plays later and raced sixty-two yards for another. In the last minute of play, Bass went over from the Ten yard line for the winning score.

# S E A S O N

C.M.A. . . . 0; Castle Heights . . . . 23

After two consecutive wins, the Bulldogs were unable to get their offense clicking and fell before Castle Heights. A pass that bounced off the finger tips of a C.M.A. receiver into the hands of a Heights man gave the opponents their first T.D. and paved the way for the mighty Tigers that afternoon. The powerful running on the part of C.M.A.'s Pointer furnished the Locals hope, but the mighty Heights eleven was too much for the Bulldogs to overcome.

C.M.A. . . . . 19; Riverside . . . . . 6

This was the Bulldogs' best game of the season. C.M.A. kicked off to Riverside, who immediately returned the ball for a T.D. The Bulldogs then turned on the heat and were in control for the remainder of the game. The hard charging line and powerful running of Pointer, Bass, Gorham, Lewis and McKelvy proved too much for Riverside. The passes from Morgan and Bass with Pointer and Guess on the receiving end kept the opponents guessing all afternoon. This was indeed a team victory.

C.M.A. . . . 0; T.P.I. Baby Eagles . . . 20

Bucking against more experience and age, the Bulldogs played a great game but were unable to show much offense against the Eagles. The non-conference game proved to be valuable by giving the boys the experience of playing against college boys. Although the Bulldogs were not able to score, they thrilled the spectators in the third quarter by holding the Eagles on the one foot line for four downs, thus denying them another T.D.

C.M.A. . . . . 26; S.M.A. . . . . 6

After spotting S.M.A. six points, the bulldogs came back to win an easy victory. The first two points came as a result of a safety. Morgan tossed to Guess for the first T.D.; then Huff took a hand-off intended for the Sewanee wingback and raced 57 yards to pay dirt. Whitley returned the final kick off for the final score. The line play of Patton, Brooks, Harrawood, Lile, and Lyles; and the running of Pointer, McKelvy, Lewis and Bass was too much for S.M.A.

C.M.A. . . . . 6; McCallie . . . . . 13

On Thanksgiving, C.M.A. met McCallie for our Homecoming and final game. After a scoreless first half in which the home team lost two good opportunities to score, the Blue Tornado scored two T.D.'s in the first five minutes of the third quarter. The Bulldogs' only score came when Guess stole the ball from McCallie's Stevens and raced 56 yards. The entire team played outstanding ball, but were overcome by a mightier foe.

First Row: Dorsey, Pointer, McCloy, Gorham, Tate, Taylor, Harrawood, Brooks, Bottom, Bayles, Huff, Herrin.

## BASKETBALL

The 1952-53 Bulldog basketball squad ended a very successful season with a record of 13 wins and 5 losses. The captains of the squad were Joe Herrin and Bill Harrawood.

Using a fast break type offense, the Bulldogs scored 1,078 points compared to 789 points scored by their opponents. This year's quintet found the win formula early with a crushing 74-28 defeat of B.G.A. The following week saw the Bulldogs drop a one point decision to McCallie. In their last game before Christmas holidays the Bulldogs clipped a talented M.T.S.C. Freshman squad 50-39. When play resumed after holidays the Bulldogs gave a preview of things to come with a roaring 67-42 victory over C.H.M.A. There followed a string of six victories, highlighted by a

brilliant victory over Baylor in the Annual March of Dimes Benefit game. The Bulldogs hit their peak with an 86-62 revenge victory over McCallie.

This year's team broke the school record by scoring 100 points against Notre Dame. Joe Herrin led the Mid-South in scoring with a total of 328 points. In the Mid-South Tournament the team ended in second place. After defeating T.M.I. and Baylor, the Bulldogs lost to McCallie in the finals 65-63. Joe Herrin and Bill Harrawood were selected as the most valuable players in the conference for the season.

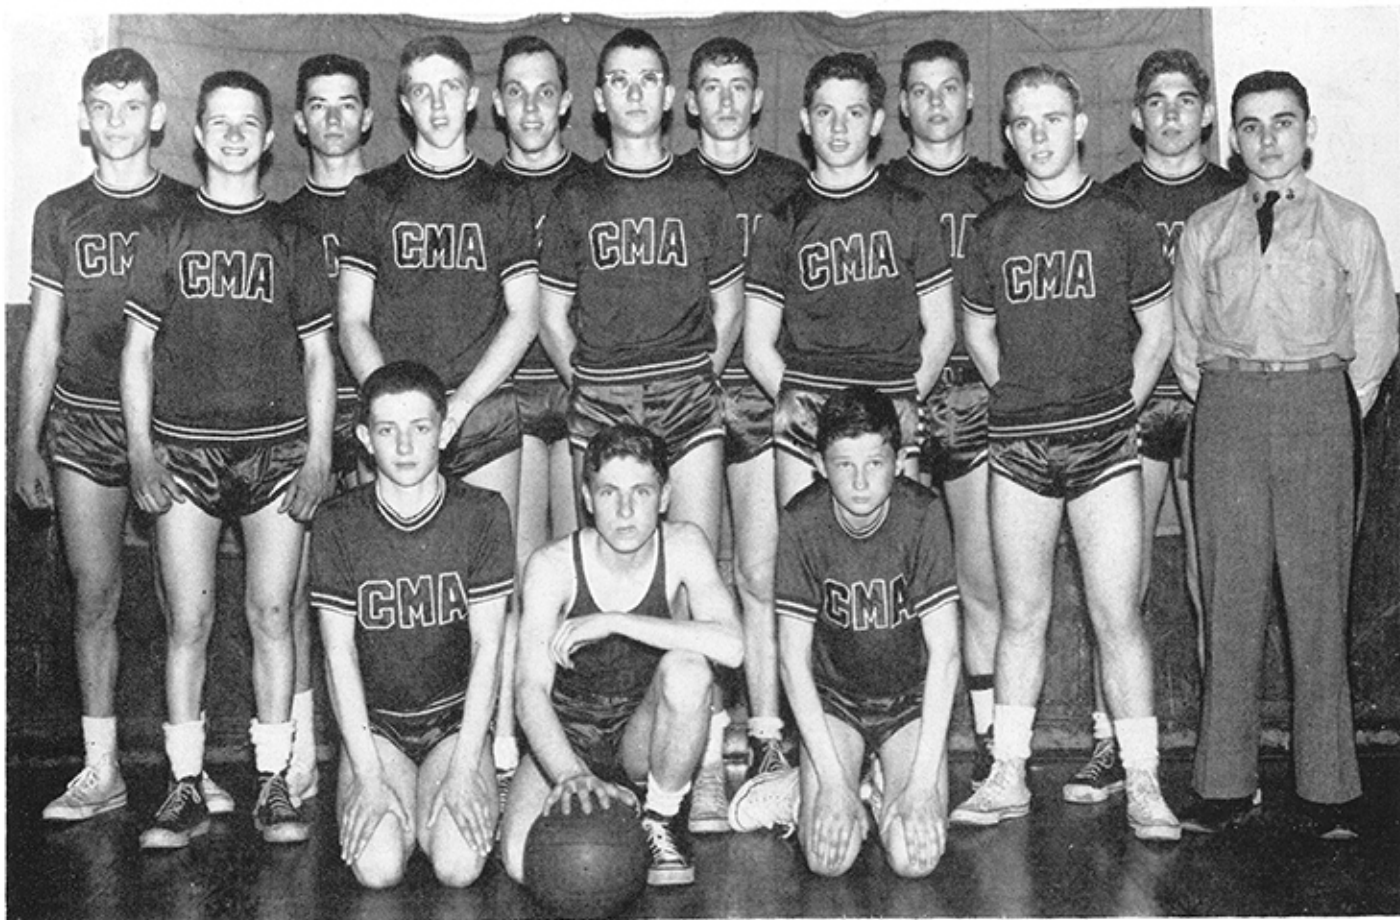

Other outstanding players on the 1952-53 squad were Joe Guess, Tommy Dorsey, Kenneth Tate, and Kenneth Taylor.

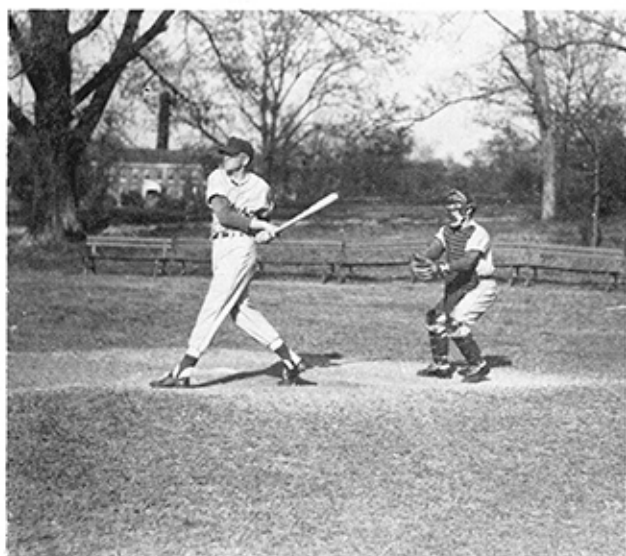

The "B" cagers enjoyed a very successful season, and climaxed it by copping the Mid-South "B" Team championship. The quint was coached by Captain H. L. Yeatman, who was in his initial year in the coaching field. After winning six games and losing one, the "B" team entered Mid-South competition. They captured the Western Division Championship by defeating Castle Heights, 70-40. The squad then treked to Chattanooga and won the title by downing Darlington, 64-59. Scutter Dunn was the captain of the team with David Ray serving as co-captain. Other outstanding players were Robert Michael, Bill Quick, and Stewart Gammill.

The baseball squad, under the supervision of Coaches Bass, Lawson, and Meredith, began its practice with many of last year's outstanding players back at their regular positions. The returnees included Hal Smith, catcher; Johnny Bass, second base; Tommy Dorsey, third base; and Monroe Pointer, Tommy Lile, and Kenneth Tate, outfield.

Tate was captain of the team and Bass was alternate. Truett Bayles played first base with Joe Herrin at short stop and David Ray alternating with Dorsey at third base.

The pitching staff was headed by Bobby Knight, with Toby Baxendale, Charlie Haynes, Guy Warmath, and Silvio Santana rounding out the moundsmen.

## T R A C K

As our Annual went to press, the C.M.A. track season was just getting underway. The first meet was held at St. Andrews on April 18, and the team, led by Captain Phil Huff and alternate Captain Joe Gorham, made a fine showing. The boys took first place in many events and team spirit was exceptionally high.

The 1953 track team schedule included meets in Chattanooga, Lebanon, and Nashville.
