"In the beginning, things seemed to be in a state of chaos. It was not until the daily routine of school and military began to dominate my life, that this chaos was reduced to mere confusion."

Dedication

Colonel Trimmer came to CMA in 1964, following his retirement from a twenty year stint in the army. Since that time he has served the school in a great many capacities, including the teaching of algebra, Director of Admissions, supervisor of the school's physical plant, and even serving as the prime organizer of the colorful new mounted color guard which performed during this year's football games.

After graduating from Dennison, Ohio as Valedictorian, he enrolled at Ohio State. He then received an appointment to West Point, graduating from there in June 1944. Thus, began the long journey of his military career.

During the Second World War, he served a tour in Germany and later served with a Peace Team at Tsinan, China. In 1948, he was assigned as Aide-de-Camp to the Commanding General of the Yokohama Commanding in Japan. In 1954, he was assigned to the G-3 Section, Headquarters, Far East Command, at Zama, Japan.

Returning to the States, he worked as Personnel Staff Officer, Deputy Chief of Staff, at the Pentagon. During his tour of duty there, he was responsible for policy and awards, Heraldry, flags and ceremonies, and customs of the Army.

After a years duty in Korea, he was assigned Battalion Commander at Fort Devon, Massachusetts. He served there until 1964, when he retired from the Army with twenty years of service behind him.

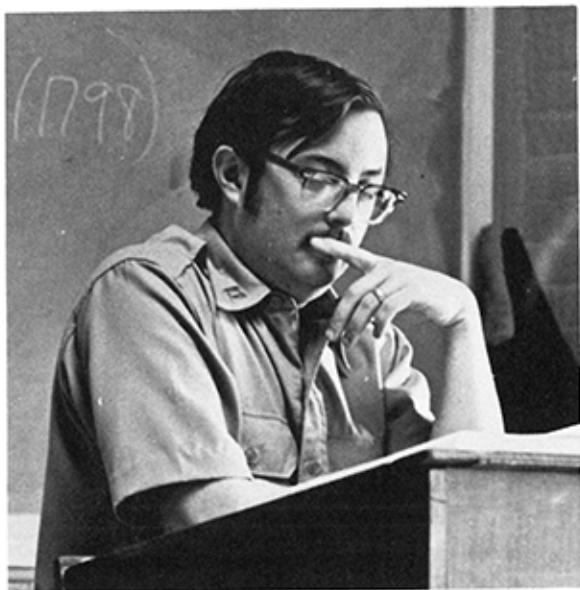

Colonel Trimmer is the father of three children. His oldest daughter is married and living in Beaverton, Oregon. He has a son in college, and his younger daughter is in grade school.

Colonel Trimmer enjoys horses, and loves reading American history. He also continues to pursue his first love—watching football.

Colonel Trimmer has served the school well during the past eight years, and it is with pleasure that we dedicate this annual to him in appreciation for the many things he has done to improve the lives of the cadets at Columbia Military Academy.

"No one can make it alone. The help is there, it is for us to find it."

"Everyone has problems, it is part of growing up. Living in a dorm helps, because there is usually someone to talk to."

FOOTBALL

Although the Bulldogs failed to post a winning season, they provided many exciting moments for their fans. The team played the usual tough schedule.

The Bulldogs were led by Tri-Captains Jim Law, Will Rainey, and Lee Williams. There were eleven other seniors on the squad, who operated on pride, and ran on spirit.

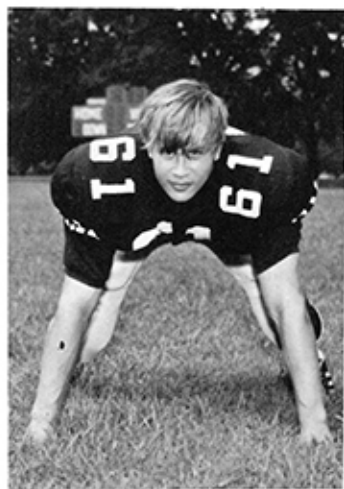

Down by five, and hampered by injuries, the Bulldogs put it all together to wallop Nashville Dupont. Spurred on by reliable running backs Bert Self, Hugh Webster, and Mack McKnight; they ended the season with an exciting victory over long-time arch rival Castle Heights.

Head Coach Pete Harris and assistant coaches Tom Jones, Richard Howell, and Jerry Link were pleased with the fine spirit and effort the team displayed. The long, hard season from August to November, marked another of C.M.A.'s long list of hard-fought football campaigns.

R E C A L L

1972

The brave club that brings you this year's Jewel of an annual is the CMA Recall staff. The club functions under the leadership of co-editors Mark Adamson and Jack Mussett. Major W. G. Hann is the "party whelp" of the club, and also serves as the faculty advisor. The current edition of high school paraphernalia is the club's attempt to present the truth, the whole truth, and a bit of propaganda about the school year 1971-72. Thank you.

Those who helped us, beside those pictured above, are Dave Gernhart, Mack McKnight, and Richard Courtney.

(Club Officers) Sitting; Sponsor, Major A. C. Howell; Chaplain, Donna Ryland; Standing; Secretary, Jack Mussett; Sergeant at Arms, Al Alexander; Treasurer, Kevin Simons; President, Carl Orr; Vice President, Terry Briggs.

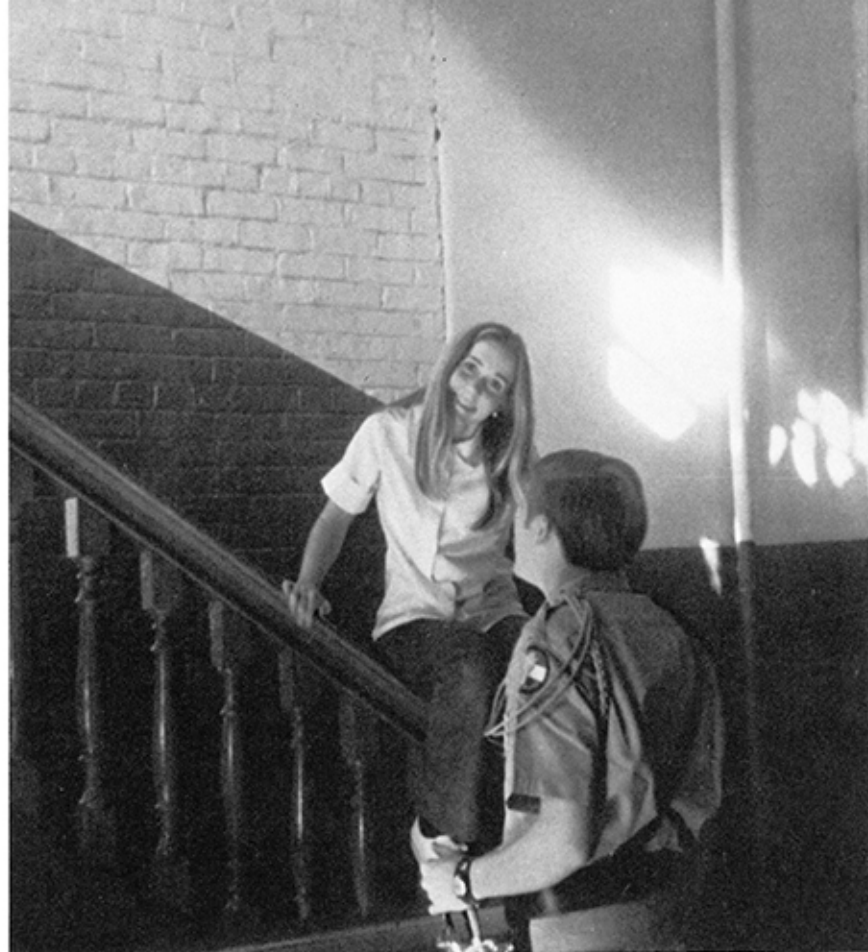

The Junior Civitan Club is based on the principles of service and fellowship. To be a member of Junior Civitan, a person must meet certain standards relative to character, academic achievement, and leadership ability.

This year, the club has participated in various charity drives aimed at helping the disabled in the community, and has sponsored many school programs, such as "campus beautification" projects, and an on-campus snack bar. The club sells tickets at football games, pewter mugs, Bulldog cushions, and senior calling cards.

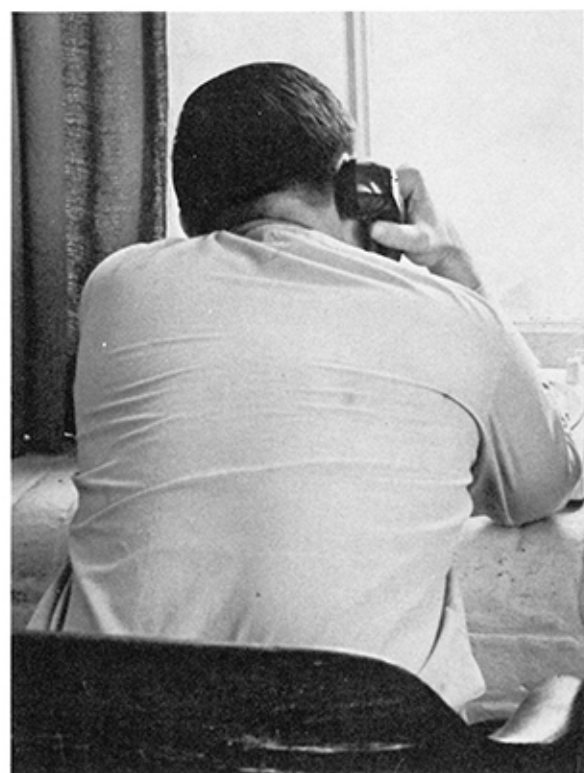

The high standard of performance exhibited by the Junior Civitan Club this year is impressive, to say the least. Credit goes to Major Howell for serving as faculty advisor, and club chaperone. It is dedication of this caliber that makes the club one of the outstanding campus organizations.

The Drama Club produced two very successful plays this year. They were: "You're A Good Man, Charlie Brown", which was performed at Baker Elementary School, and a very intense drama, "Luther".

The Drama Club was not entirely made up of students this year. Among the casts were Capt. and Mrs. John Rose, Capt. Russ Snyder, Major Graham Hann and Capt. Charles Irvin. The faculty sponsor is Capt. Charles Irvin.

NATIONAL THESPIAN SOCIETY

The Flying Club helps new flyers to become accustomed to flying, and promotes air safety, according to the F.A.A. rules. Although short on members this year, the club is growing in popularity, as more students become interested in learning how to fly.

Present club members are: Donna Ryland, Ronnie Shirah, Paul Porter, and Wade Bowling.

Features

The highest honor that a cadet may achieve is the title of Mr. CMA. This cadet must display the highest virtues to be worthy of this honor. Mr. CMA is chosen each year by the faculty and the administration. The title is representative of outstanding leadership, fine moral character, scholarship, and a generally excellent attitude.

Bob Chambliss meets, and surpasses all of these qualifications. Bob is a Cadet Captain, he has achieved a steadfast scholarship rating, he is the commanding officer of Charlie Company, he has served on the varsity football team for two years, he has been a member of the Drill Team for two years, and is now in his third year at C.M.A.

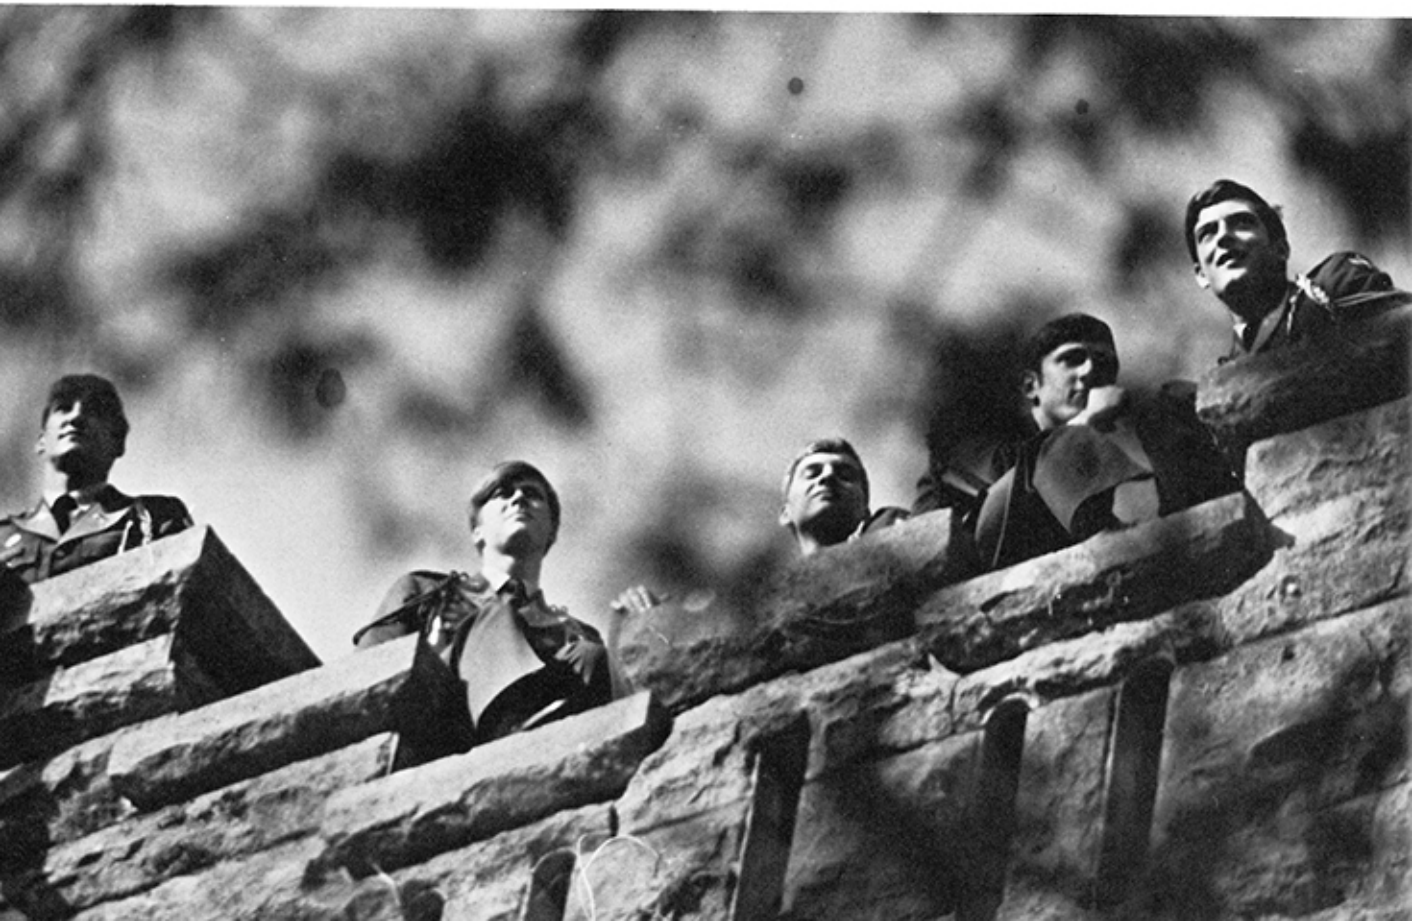

Mr. CMA is the model of what all cadets should aspire to be. It is, to say the least, a truly great honor to be chosen Mr. CMA.

HALL OF FAME

Each year the faculty, military department, and staff pick five cadets to be named to the Hall Of Fame. Membership is based on initiative, citizenship, character, scholarship constructive leadership, and contribution to the improvement of the school. This is one of the finest all-round honors bestowed upon five cadets during their senior year.

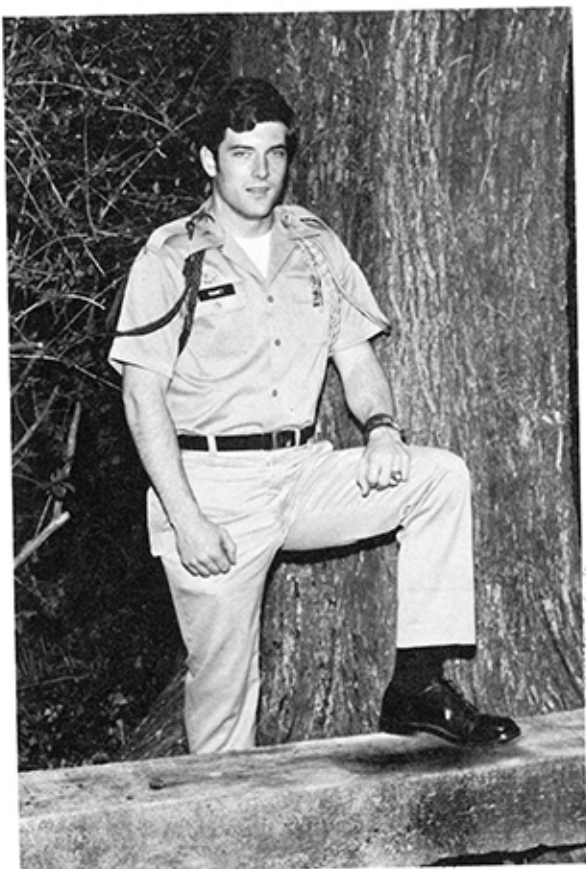

This year's Hall Of Fame is made up of the following cadets, Bob Huffman, Terry Briggs, Carl Orr, Jack Mussett, and Will Rainey.

Bob Huffman, Terry Briggs, Carl Orr, Jack Mussett, Will Rainey.

Al Hardison

Will Rainey

VALEDICTORIAN AND SALUTORIAN

Two Maury County cadets have tied for top honors in the senior class. Allen Warren Hardison Jr. and William Fleming Rainey III are the co-valedictorians for the class of 1972. Based on their academic records for the junior year and first semester of the senior year, each cadet had a quality point average of 4.13 in a four point system with additional quality points awarded for grades in honors courses. Both cadets have had two honors courses during his junior and senior years.

Al holds the rank of cadet Master Sergeant. He is a member of the National Honor Society, winning Cum Laude honors each year at CMA. He also is ranked in the top 10% of his M.T. class. He has won the Spanish I medal

and II. Al has been an active participant in CMA sports. He has been a member of the golf team for four years and the basketball team for three years. Al plans to attend L.S.U. and major in Pre-Med.

Will holds the rank of cadet Major. Will also has won Cum Laude honors each year at CMA and is a member of the National Honor Society. He has been on the Cadet Battalion Staff for two years and has won the good conduct medal for two years. He has been a member of the football team for three years, being a co-captain his last year. NATIONAL HONOR SOCIETY

The National Honor Society is an honorary club that serves as a means of recognition for academically superior students. Members are chosen on a basis of scholarship, character, and contribution to the school. A five-man faculty committee chooses those students who display these traits in their work, and everyday life. Colonel Hatcher sponsors the society here at C.M.A.

The National Honor Society is limited to not more than ten percent of the Senior class, five percent of the junior class, and two percent of the sophomore class.

The 1971-72 CMA Rifle team was Commanded by the team captain, Jack Mussett. Even with this handicap the team was able to win a few of their matches. The 72 season was highlighted when the team defeated their arch enemy Wilthorne Jr. High. This win must be fully accredited to Mussett, for without his brilliant strategy the team would surely have been defeated. Jack won the match by shooting the two best shooters on the Wilthorne line-up.

Mussett feels the season was a rewarding experience for all the members of the team since they were able to serve under a captain like him. He accredits the good season to the one person who did the most to make it a success—himself.

1972 saw the introduction of an event in Columbia that hopefully will become an annual event. The Academy Ball was planned by a group of people in Columbia, led by Mrs. Robin Courtney. Their main object was to raise money for the betterment of some aspect of the community. Fortunately for us, the sponsors chose Columbia Military Academy as the recipient this year.

The event was a huge success, both socially and financially; a large attendance coupled with the energetic work of the Sponsors guaranteeing this.
